

Government of Canada - Individual Initiatives - Canada Music Fund

Individual Initiatives – Canada Music Fund

From: [Canadian Heritage](#)

The Individual Initiatives component provides financial assistance to undertake activities that are central to the development of Canadian artists, the promotion of their music and the expansion of their audience. Examples of supported activities under this component include the production and marketing of Canadian sound recordings, domestic and international touring (including showcases) of Canadian artists, artist management, publishing of Canadian musical works and business development. Applicants have access to annual funding either through a comprehensive envelope funding or project-by-project support.

Who can apply

Eligible recipients include:

- Canadian artists / artists-entrepreneurs; and
- Canadian music industry professionals, including for-profit Canadian owned and controlled firms (such as record labels, music publishers and those involved in artist management) and not-for-profit organizations whose principal business or purpose is central to the career development of Canadian music artists.

How to apply

The Individual Initiatives component is administered by the [Foundation Assisting Canadian Talent on Recordings](#) (FACTOR) for the English-language sector of the music industry, and the [Fondation Musicaction](#) (Musicaction) for the French-language sector.
